An activity that is related to the current curriculum in which a student is enrolled. This may be any type of school-sponsored activity designed to provide opportunities to participate in experiences on an individual or group basis (at school or public events) for the improvement of skills. The following characteristics apply to co-curricular activities: 1) participation is necessary for meeting class requirements, for credit, or for graduation; 2) sessions are conducted at regular and uniform times during school hours, or may be conducted during authorized non-school hours; 3) programs are directed or supervised by instructional staff in a learning environment similar to that found in classes offered for credit; and 4) services are primarily or totally funded by school-operating funds for general instructional purposes under the direction and control of local education authorities.

Option Use: 0751 *Extra-curricular Activity*

Any activity that is not directly related to the student's curriculum (also called "noncurricular" or "supplementary" activities), including all direct and personal services that are planned for student enjoyment and are managed and operated under the guidance of an adult or staff member. The following characteristics apply to extra-curricular activities: 1) programs are not offered for credit or required for graduation; 2) sessions are generally conducted during hours other than those established for school, or if partly during school hours, at times agreed upon by the participants with school authority approval; 3) content is determined primarily by the interests of the students and their parent/guardians with only the guidance of staff members or other adults; and 4) with the possible exception of direct costs of salaries and indirect costs of the use of school facilities, the activity is primarily self-sustaining (e.g., not financed by school-operating or instructional funds), as

Option Use: 0075 *Achievement test*

An assessment to measure a student's present level of knowledge skills, or competence in a specific area or subject.

Option Use: 0076 *Advanced placement test*

An assessment to measure the achievement of a student in a subject matter area, taught during the high school, which may qualify him or her to bypass the usual initial college class in this area and begin his or her college work in the area at a more advanced level and possibly with college credit.

Option Use: 0077 *Alternate assessment*

An assessment provided to children with disabilities who cannot participate in a State or district-wide assessment program, even with appropriate accommodations.

Option Use: 0079 *Attitudinal test*

An assessment to measure the mental and emotional set or pattern of likes and dislikes or opinions held by a student or a group of students. This is often used in relation to considerations such as a controversial issues or personal adjustments.

Option Use: 0081 *Cognitive and perceptual skills test*

An assessment to measure components of a student's mental ability such as visual memory, figure-ground differentiation, auditory memory, reasoning ability, and sequential processing.

Option Use: 0082 *Developmental observation*

An assessment to measure a child's development based on observation. This is most frequently associated with early childhood education and care. Areas of observation and/or evaluation may include, and are not limited to a child's cognitive and language development, social and emotional development, hygiene, nutrition, and self-help skills, as well as gross and fine motor skills.

Option Use: 0083 *Interest inventory*

An assessment used to measure the extent to which a student's pattern of likes and dislikes corresponds to those of individuals who are known to be successfully engaged in a given vocation, subject area, program of studies, or other activity.

Option Use: 0084 *Language proficiency test*

An assessment used to measure a student's level of proficiency (e.g., speaking, writing, reading, and listening) in either a native language or an acquired language.

Option Use: 0087 *Manual dexterity test*

An assessment to measure a student's ability to move his or her hands easily and skillfully. This test may be used in the identification of aptitudes for certain occupations.

Option Use: 0088 *Mental ability (intelligence) test*

An assessment to measure a student's general ability to successfully and rapidly adapt to new situations and to learn from experience.

Option Use: 0089 *Performance assessment*

An assessment to measure a student's knowledge or skill by requiring him or her to produce an answer or product that is not necessarily in a standardized format. Examples of performance assessment include writing short answers, solving complex mathematical problems, writing an extended essay, conducting an experiment, presenting an oral argument, or assembling a portfolio of representative work.

Option Use: 0090 *Personality test*

An assessment to measure a student's affective or nonintellectual aspects of behavior such as emotional adjustment, interpersonal relations, motivation, interests, and attitudes.

Option Use: 0092 *Portfolio assessment*

An assessment to measure the quality of a collection of student work or a series of student performances as interpreted by the student, a teacher, or an independent evaluator.

Option Use: 0093 *Psychological test*

An assessment to measure a sample of behavior in an objective and standardized way.

0054 Assessment Reference Type

A classification of how results of achievement tests are related and interpreted.

Entity Use: State Education Agency (SEA)

Option Use: 0487 *Norm-referenced*

A student's test scores are related to that of a specified norm group, the samples of which are used as the basis for interpreting test scores.

Option Use: 0488 *Criterion-referenced*

A student's test scores are related to a specified criterion and expressed in terms of the knowledge or skill acquired (e.g., a given number of words typed per minute with a specified degree of accuracy).

Option Use: 0489 *Achievement-level reference or benchmarked*

A student's test scores are related to a specified level of achievement such as 'basic', 'proficient', or 'advanced.'

0190 Norm Group

0056 Assessment Reporting Method

The method that the instructor of the class uses to report the performance and achievement of all students. It may be a qualitative method such as individualized teacher comments or a quantitative method such as a letter or a numerical grade. In some cases, more than one type of reporting method may be used.

Entity Use: State Education Agency (SEA)

Option Use: 0490 Age score

A derived score used to express a student's test performance in terms of the developmental-level characteristics of the average individual of a corresponding chronological age. This is used more frequently with intelligence and achievement tests for children of school age or below. Scores can be applied to determine a student's mental age (e.g., the average chronological age of students achieving a specific raw score) or education age (e.g., test performance according to the norm age on any given level).

Category: Assessment Outcomes (SEA)

Information about the results of the assessment including scoring and reporting information.

Option Use: 0491 *C-scaled scores*

A score expressed in normalized standard score of eleven units.

Option Use: 0492 *CEEB-scores*

A score developed for use with the College Entrance Examination Board tests and those tests by the Educational Testing Service as the basis for reporting scores on many of its other special program tests. It is similar to other linear standard scores but has a mean of 500 and a standard deviation of 100.

Option Use: 0493 *Grade equivalent or grade-level indicator*

A derived score expressed as the grade placement of those students for whom a given score was average.

Option Use: 0494 *ITED-score*

A score developed for use with the Iowa Tests of Educational Development, but which is now also used with the American College Testing Program and other tests. This score has a mean of 15 and a standard deviation of five, and scores are based on nationally-representative sample of tenth-and eleventh-grade students.

Option Use: 0144 *Letter grade/mark*

A letter assigned to a corresponding qualitative value. (e.g., A=Excellent, B=Above Average, C=Average, D=Below Average, and F=Failing). Corresponding numerical ranges may vary for each letter grade.

Option Use: 0497 *Normal curve equivalent*

A score expressed in a normalized standard score with a mean of 50 and a standard deviation of 21.06. Scores range from 1 through 99 and an equal unit is retained in the scale.

Option Use: 0498 *Normalized standard score*

A score that resembles standard scores (z-scores) but which is computed like percentile scores.

Option Use: 0499 *Number score*

A number assigned corresponding to the total assessed quality of student response (e.g., the number of answers a student provides that are correct) or the level of a score using a holistic scoring guide usually used in writing assessments.

Option Use: 0500 *Pass-fail*

A score used to indicate whether a student passes or fails the assessment.

Option Use: 0502 *Percentile rank*

A derived score presented in terms of the percentage of students in a specified group who fall below a given score point.

Option Use: 0503 *Proficiency level*

A standardized qualitative expression used to indicate a student's functional mastery of a specific skill (e.g., novice, apprentice, or master).

Option Use: 0504 *Ranking*

An expression used to indicate the position of a student relative to other students taking the same assessment (e.g., highest, second next highest, third, and so on). Since the total number of cases limits the rank, the two numbers are often reported together.

Option Use: 0505 *Ratio IQ's*

A score based on the ratio of mental age to chronological age. The ratio or deviation IQ has a common standard deviation for all ages covered by the test.

Option Use: 0506 *Standard age score*

A score used in connection with certain Riverside Press tests where the standard age score has a mean of 1000 and a standard deviation of 16.

Option Use: 0508 *Stanine score*

A score expressed in normalized standard of nine units (i.e., 1-9). In a normal distribution, stanines have a mean of 5.0 and a standard deviation of 1.96.

Option Use: 0509 *Sten score*

A score expressed in a normalized five units on either side of the mean. In a normal distribution, sten scores have a mean of 5.5 and a standard deviation of 2.0.

Option Use: 0510 *T-score*

A standard score expressed with a mean of 50 and a standard deviation of 10.
